2. Comment:

The report shows that the FUERSTENWALDE airfield is still not occupied by an air unit but apparently by an antiaircraft artillery unit. This unit is assigned either to the 7th AAA Regt of the 7th Gds Mecz Div (Cadre) or to the Group of Occupation Forces Germany.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
